

## Congregation Bet Am – New School and Admin Bldg.

**Client:** Congregation Beth Am  
**Project location:** San Diego, California  
**Project Size:** 25,000 s.f.  
**Construction budget:** \$6.5 Million

**Services performed:** Gilliland Construction Management provided full project management services, including architectural firm and GC selection, design management, permitting, bidding and construction. Our scope of work also included the design, permitting and installation of seven portable class room trailers to house the students during the twelve months of construction. Extensive coordination was required with the executive director, as the new classroom and administration buildings were constructed immediately adjacent to the existing Synagogue and temporary class rooms.
