

Government Training Facility

Client: *HG Fenton*

Project location: *Mira Mesa, CA*

Project Size: *25,000 s.f.*

Construction budget: *\$4.2 Million*

Services performed: *Gilliland Construction Management provided full project management services, including management of the design, permitting, bidding and construction process. The project was a consolidation of government training facilities throughout the County into one location totaling 34,000 sf. The facility included a large training room with steel mezzanine for instruction/training as well as office space, gym, ammo storage and advanced security system. Collaboration with the government entity to provide for specific requirements within the facility was crucial to its success.*
