

## Renovate America Café Building

**Client:** *Renovate America*

**Project location:** *San Diego, California*

**Project Size:** *10,000 s.f. Ground Up Corporate Cafeteria*

**Construction budget:** *\$6 Million*

**Services performed:** *Gilliland Construction Management provided full project management services including GC selection, kitchen equipment provider selection, design management, permitting, bidding and construction. Scope of work included a new 10,000 s.f. café building with full cafeteria and extensive site work including an outdoor seating area, a garden for the café and compost area. This project achieved LEED Certification. Key components included extensive use of open ceilings, new kitchen with both new equipment and relocated equipment, a new server room, sealed concrete floors, new built in banquets, sliding partition wall, AV and Low Voltage. This cafeteria serves over 500 employees every day.*
